The undersigned hereby authorizes the doctor to take x-rays, study models, photographs, or diagnostic aids deemed appropriate by the Doctor to make a thorough diagnosis of the patient's dental needs. I also authorize the Doctor to perform any and all forms of treatment, and therapy that maybe indicated. I also understand the use of anesthetic agents embodies a certain risk. I understand that my dental insurance is a contract between the insurance carrier and me and not between the insurance carrier and the Doctor and I am still fully responsible for all dental fees. These fees are due and payable at the time services are rendered unless prior financial arrangements have been made. I also assign all insurance benefits to the Doctor. Any payments received by the doctor from my insurance coverage will be credited to my account or refunded to me if I have paid the dental fees incurred. I further understand that a late charge will be added to any overdue balance.
